⁽¹⁾ Commencement Fees

The non-refundable commencement fee is due with the Notice to Arbitrate or the Application to Mediate filed with the BCICAC.

⁽²⁾ Administrative Fees

The BCICAC will invoice both parties administration fee quarterly beginning six months after the commencement date. The administration fee will be assessed on the basis of the highest claim or counterclaim value.

⁽³⁾ Disbursement Fees

Fees do not include expenses incurred by the BCICAC in its administration of an arbitration, mediation or appeal. The BCICAC may invoice parties for expenses on an interim basis as it deems appropriate.

Liability for fees and expenses is joint and several between the parties to the arbitration. Where a party does not pay an administration fee or other outstanding amount due to the BCICAC, any other party may pay that amount to ensure that the arbitration proceeds. If payments are not made, the tribunal may order the suspension or termination of the proceedings.
